FRENCH FOR TEENAGERS AND STUDENTS

Whether on your own or with your classmates, sign up for a summer course that will help you practise your French, gain confidence and revise before the start of the new academic year or to re-sit your exams.

For **group** classes: minimum of 5 students with the same abilities and availability is requested to open one of our regular courses

(once-a-week, twice-a-week, 2-week intensive or Saturday, see information on this flyer or visit our website for more details).

If you need more individual help or if you'd rather study alone or with one or two classmates, we can tailor a **private course** to suit your specific needs (see information on our Bespoke Tuition department).
